

Cesta Inspirace

Dear Friends,

This year we would like to welcome more dance, live music, spontaneity and authenticity into our lives. If you are on this wave with us, we are very happy to invite you to another great **TRIBAL RESONANCE** concert of **Rishi Vlote** on **February 5 at 7 p.m. in Dancers' Club in Prague 3**. Rishi will be accompanied by **Aldaman**, an excellent didgeridoo and indigenous instrument musician. Come and immerse yourself into the depth of Trance Dance, or simply to enjoy great music.

The next day you can look forward to a **one-day seminar**, where **Rishi and Aldaman** invite you on an amazing journey to experience the deeper meaning of "Tribal Resonance". **Rishi combines exercises, rituals and mindfulness with the direct and powerful quality of live played music and spiritual intention**. These evoke harmonious vibrations on all levels of perception to enhance our ability to experience joy and ecstasy and to feel the powerful healing effects of sound and rhythm.

As our New Years gift we offer you a **special price** for the combined ticket to the concert and workshop as well as an **early bird price for the first ten registered participants**.

Join us to experience the amazing quality of live music, dancing, harmonious vibrations ... come to be inspired!

We wish you all the best in 2016, may you be healthy, merry, dancing, loving, in love, excited may you just enjoy life fully!
